

## 2016-2017 Rhetoric School Student Supply List

### Organizational System

Students will need a system for organizing class handouts, homework and notes. Binders with tab dividers are suggested; however students may use whatever system they choose.

### General Supplies:

- Backpack and lunch box/bag
- Assignment notebook
- Loose leaf paper
- 400 3x5 cards (lined) and card box
- Pencils, pens, erasers
- Highlighters
- Fine-tip dry erase pens
- 1 flash drive (4 GB minimum)

### *In addition to the above :*

#### Bible:

- Journal (student provides his/her own personal journal to keep; suggest purchasing from Barnes & Noble's very wide and beautifully diverse selection)
- Bible

#### Humane Letters:

- 2" binder with subject dividers
- 1 commonplace journal (this can be a composition notebook or a decorative journal in which students can record impacting quotes, poems, etc.)

#### Latin:

- The Bantam New College Latin & English Dictionary

#### Math and Science:

- 7th grade: TI-30 or TI-34 or equivalent scientific calculator (graphing calculators not allowed at this level).
- 8th grade: TI-30 or TI-34 or equivalent scientific calculator (preferred) or TI-84 or equivalent graphing calculator
- Geometry: TI-84 or equivalent graphing calculator (preferred) or scientific calculator
- Advanced Algebra and beyond: TI-84 or equivalent graphing calculator required.

#### PE:

- Uniform - all-black shorts (side stripe okay) with any T-shirt with a Covenant Logo on it (Lands' End)

#### Locker Decorating:

Students may decorate the inside of their lockers using Command strips or hooks. The lockers are not made of metal, so magnetic items will not work. We reserve the right to request removal of a locker item should it cause issues. The internal measurements of the lockers are 13.5" wide by 17.75" deep. A locker shelf is helpful to create more space. Locker assignments and locks will be provided in August.
